# Dedication: Fr. Gerald McCourt, S.J.

*"Clear? Or no??? The man was ga-ga!! Absolutely nutzybobo!! Huh?" . . . "Now, gentlemen, who are our Latin scholars? Any Greek scholars? Who will be my philosopher for today?" . . . The Son of God, the Savior of all mankind is: a) Fr. Flynn b) Jesus Christ c) John Brodie d) All of the above e) None of the above . . . "The question is, gentlemen, is it moral for Pete Kavorsnik to break his date with Suzy Snavalatch cause he's got the hots for Boom-Boom Laverne?"*

Classic McCourt (circa 1979)

These and other verbal gems await the unsuspecting Sophomore who dares register for Fr. McCourt's Theology II class. Topics can range from heavy theological questions, to current moral issues, to next week's point spread on his favorite but "unlucky" bay area teams (49'ers and Giants, heavy sigh!). Father's wild gesticulations have been known to activate seismographs as far south as Guadalajara and desks fly as he demonstrates the McCourtian "Big Bang" Theory on the origin of the universe.

Fr. McCourt's classroom antics are well known but his activities touch all aspects of community life. An eleven year veteran of Jesuit High School (three as a scholastic, 1966-1969) he has, at various times, taught English, Latin, Greek, French, Theology, Old and New Testament; he has coached Cross-country and track; and he has acted as assistant chaplain. He coordinates the housing for the Christmas Basketball Tournament and is a seasoned performer in the Spring Fling. He attends almost every Jesuit athletic event and his running commentaries rival even those of the platitudeous Howard Cosell. This past summer Fr. McCourt celebrated his 20th anniversary as a Jesuit.

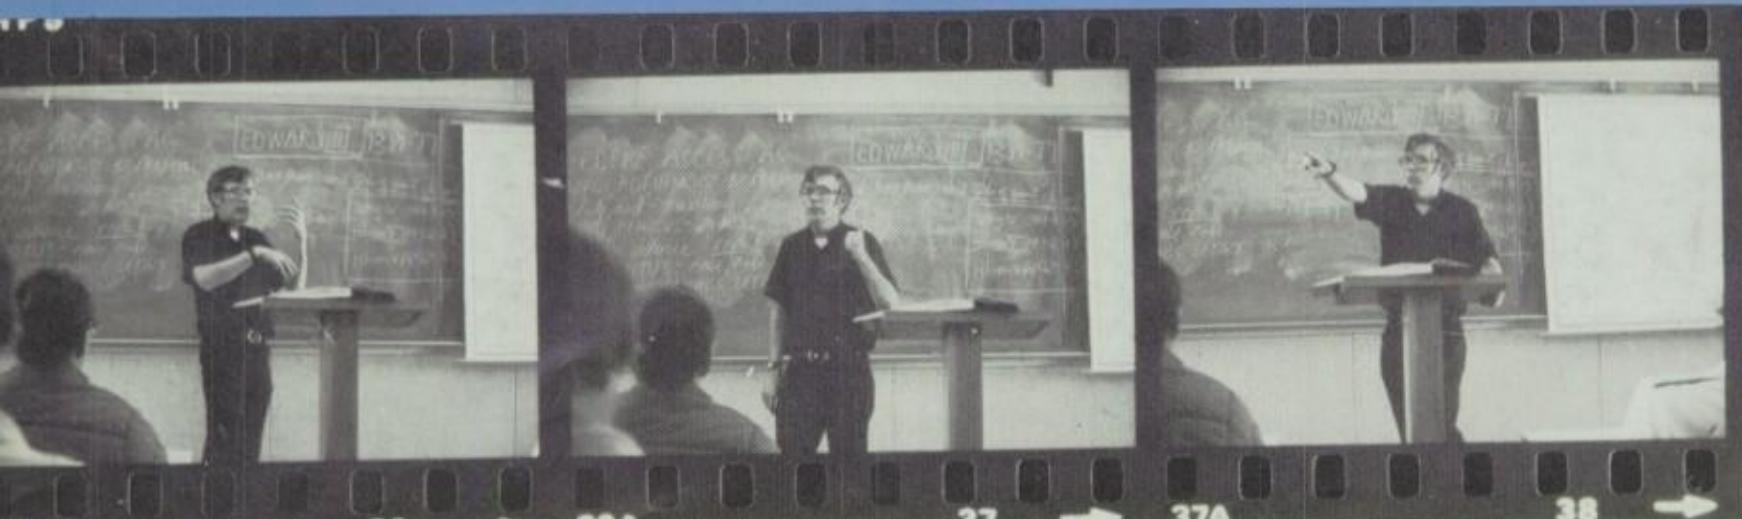

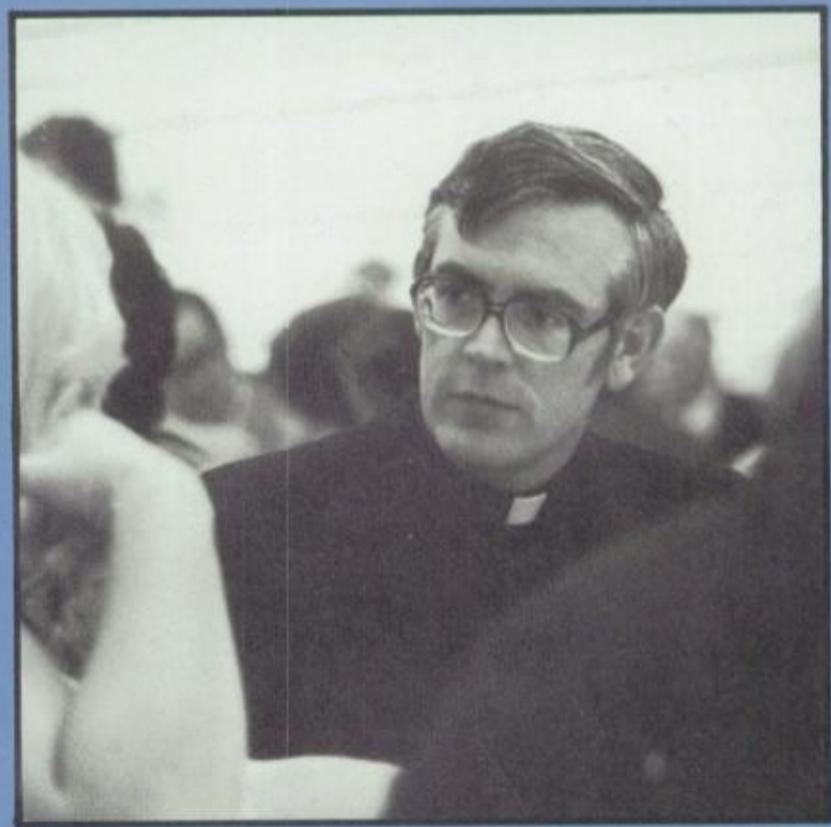

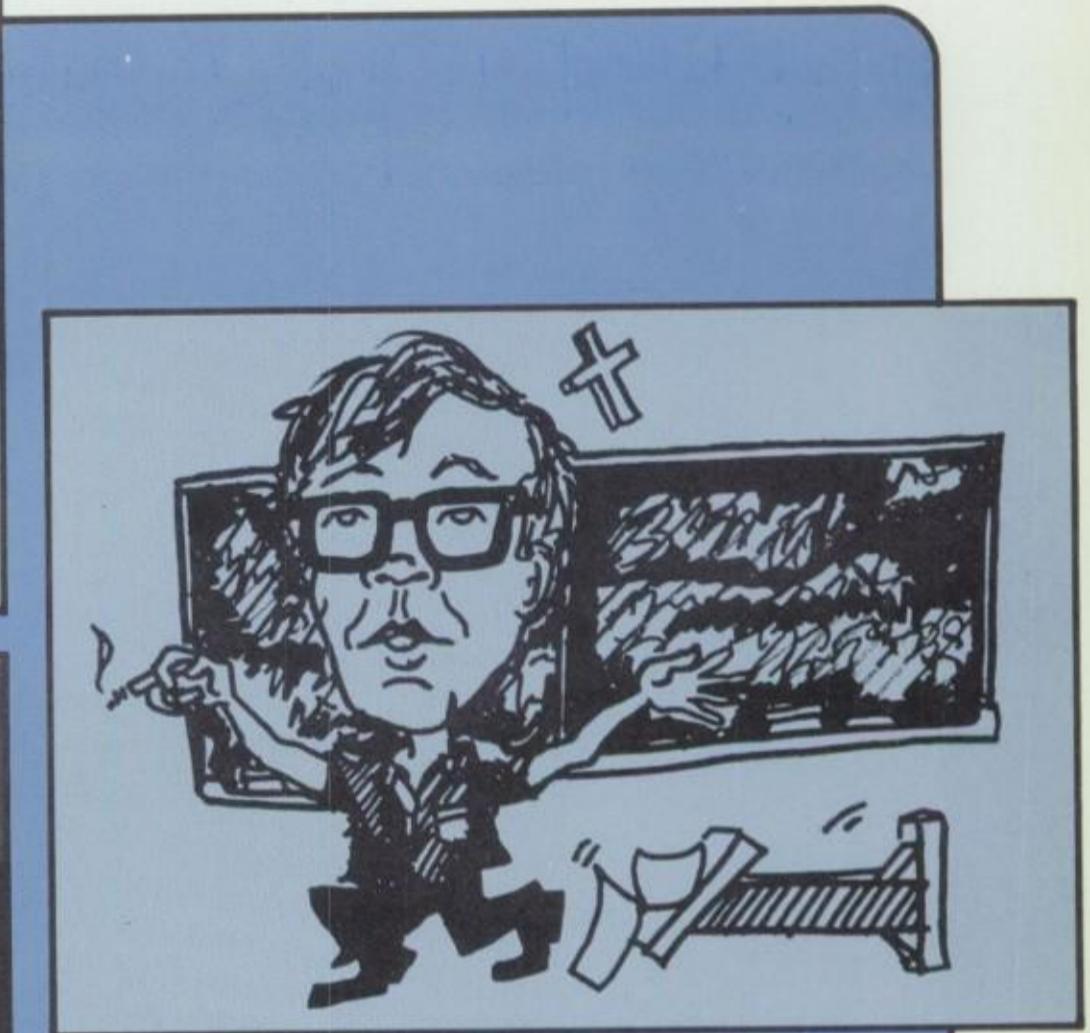

To all these activities, but even more importantly, to all his friends and students he brings a unique vitality, interest, and genuine concern. His openness elicits animated class discussions, his ability to inspire motivates his charges to new heights, his friendly, non-threatening manner enables everyone to feel welcome and comfortable around him.

Fr. McCourt has become an institution at Jesuit. His presence has entertained, informed and helped to mold (one way or another) half a generation of impressionable sophomore minds.

*"I'm not going to discuss the biological, gentlemen, just the moral aspects. That's definitely a biological question, go ask Mr. Melanson. Nuff said!"*

Nother Classic McCourt (circa 1980)

# Administration and Staff

"Those who can't work become teachers, those who can't teach become coaches, those who can't coach . . . become administrators?" (They must mean "public school" administrators!)

A major "front office" shake-up took place this past year as our president for the past three years (Fr. Gerald Wade, S.J.) was appointed president of Bellarmine Prep in San Jose. Fr. Ed Harris was asked to assume the duties of president as well as retain his former position as the principal of Jesuit High School. (Fr. Harris probably didn't have enough to keep him busy!) Fr. Blinn became the assistant Principal for Academics with duties ranging from curriculum to teacher evaluations. (His guest appearances at Spring Fling and Band Concerts are voluntary.) Another new nameplate appeared with the formation of the office of the Director of Student Activities. His responsibilities include supervision of clubs and organizations, dances, rallies, homecoming, the Christmas Food Drive and any other activities involving students.

Returning "veterans" include: the Dean of Students (actually the Director of Cruel and Unusual Punishments) Mr. Ron Edwards, the Assistant to the Principal (in charge of scheduling and computer brown-outs) Mr. John Ridge, our Student Chaplain (and still "God's Favorite") Fr. Jim Flynn, the Director of Development (star of the Spring Fling and Pace Auction) Fr. Ed Callanan, our Athletic Director (and most recent marathoner) Mr. Ross Evans, the Director of Grounds (and master mathematician) Fr. Joseph Barry, the Maintenance Foreman (and cyclist) Brother Dan Corona, Controller (and Fr. Barry's apprentice clerk) Mr. Tony Biggi, and finally our fine secretaries Cathy ("Where's your note?") Pierini and Betty ("Not another grade change!") McMichen.

Contrary to the aforementioned quote, all of these folks are very hard working, friendly and considerate. They definitely are not deserving of becoming coaches or . . . of being sent back to the horrors of the classroom!

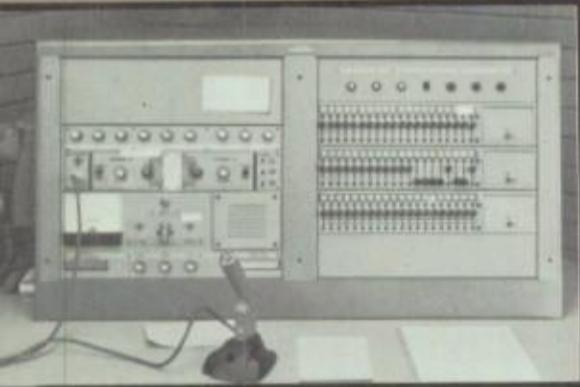

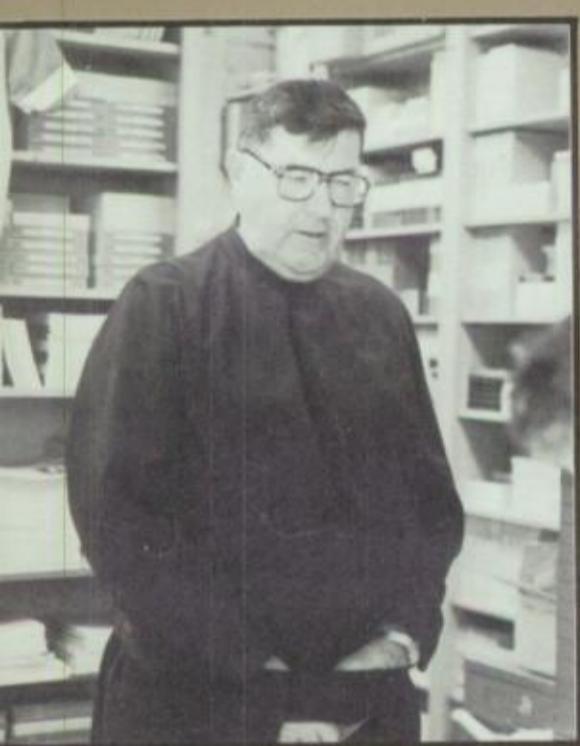

Fr. Edwin Harris, S.J.  
President/Principal

## Spiritual Activities

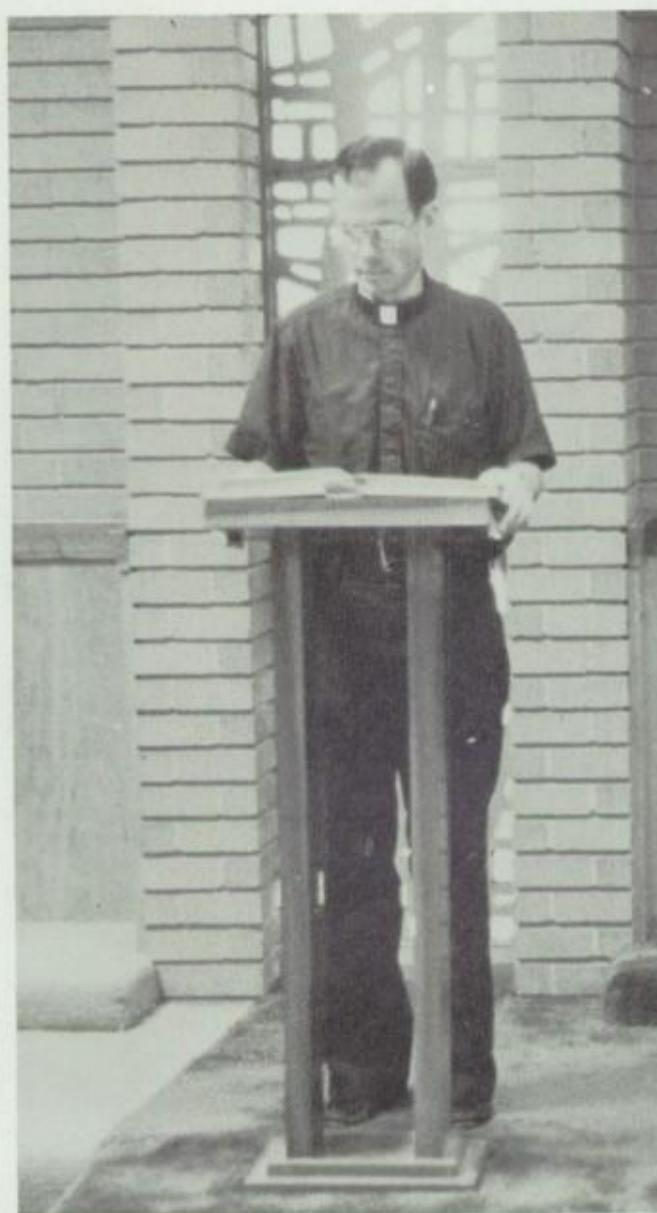

The Jesuit experience is academic and more. But many of us here fail to see most of these different aspects. As a Catholic school the opportunity for spiritual growth is tremendous, and yet many of these activities are overlooked. We have a wide variety to participate in; from reconciliation services, family liturgies, Mr. Speciale's Choral Group to the ever growing prayer groups of Fr. Carroll. This year Fr. Carroll has even added a faculty prayer group on Monday mornings. Yet another approach one may take is participating in one of Fr. Flynn's highly recommended retreats during Senior year, or the days of recollection offered to the classes during the year, or by taking one of the many new electives that the ever expanding theology department has to offer. These are all ways in which we can communicate with God and with each other. So get involved, *HE* will be glad you did.

# Academic Activities

There are many opportunities at Jesuit for interested students to pursue and develop their academic interests. The existence of Advanced Placement History, A.P. English and Calculus and Pre-Calculus courses give their students a definite advantage upon entering college. Added to the demanding prep school curriculum are a series of electives offered through each department including business courses, Classical Lit, Computer Science, Environmental Ethics, Physiology, Symphonic Band, the Liturgy Workshop and many more.

Organizations which recognize academic excellence include the California Scholarship Federation whose members provide tutoring for other students who need help in a particular field of study and the National Honor Society. The Forensics Union provides an excellent opportunity to better one's organizational and creative speaking skills.

We owe a debt of gratitude to our fine college counselling department. Under the superb guidance of Brother Farrington each student is helped with one of the most important decisions of his life, "What college is right for me?" The band this year was enthusiastic and talented keeping in tune with the new Jesuit spirit. The Plank, under the leadership of moderator Mr. Cartan and editors John Warner, Dick Mercereau, and Gary Gibson turned out a series of newspapers full of humor and informative journalism.

The numerous academic pursuits here at Jesuit helps make this school special, and all those who chose to participate in these programs can vouch for their worth.

### Memo From "Duh" General's Staff:

Forty hour weekends, darkroom printathons, ice cream raids on the priests' house and Katy the Yearbook lady are some of the wonderful experiences that the Cutlass staff has braved in 1980. No one forgets working in our darkroom while Lars is on a diet (tuna in water) and Fast Fred is eroding the cardboard box with his tobacco spit. Has anyone ever tried living for two days on Fritos and applejuice? It ain't fun but it's supposed to be rewarding and we have to smile through it all.

The rumor that we circulated about the books coming in July may or may not be true, but if it is, you can find them in Bouvier's garage underneath the deflated raft.

# Jesuit Forensics Union

The Jesuit Forensics Union, under the moderation of Mr. Fritz Kehrwald, has again let its name be known throughout the Western United States. The debate team of Skeeter Czimskey and Scott Patterson have won numerous trophies this year in national and state-wide competition. Eamon Scribner placed first in Novice Original Oratory at a Tri-State tournament held at the University of Nevada, Reno.

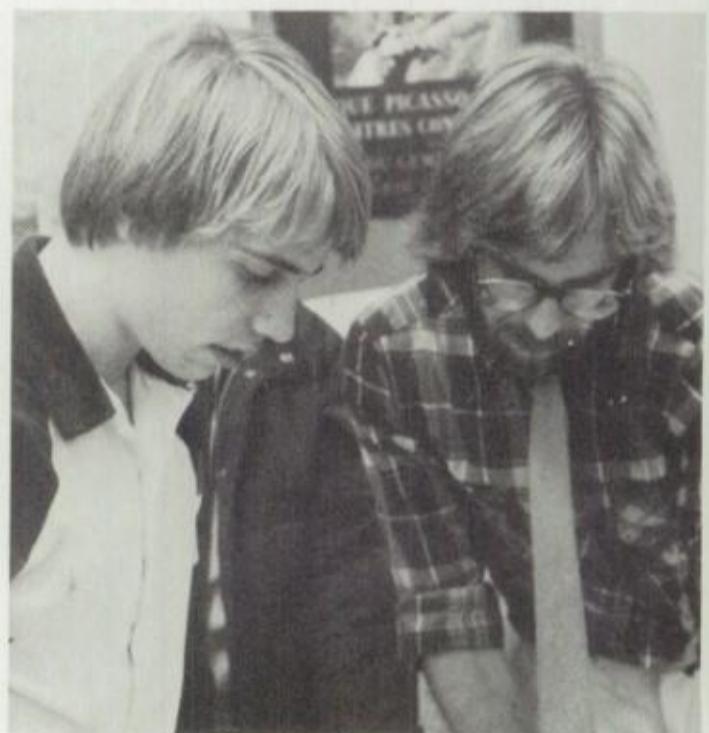

Newcomers Sean Cowen, Tom Bonk, Richard Benheimer, Mark Dausses, and Dave Armond have all done well this year, and they are all expected to do even better in the years to come.

Again this year, Skeeter Czimskey has won many awards in Dramatic Interpretation and Scott Patterson has also won many trophies in extemperaneous competition. Both Scott and Skeeter fared well in this year's State Tournament.

While the JFU is not as big this year as it has been in the past, its trophy winning ratio is just as big, if not bigger than in years past.

# Community Involvement

There are many things that Jesuit can be proud of, and one of these is its sense of community. The faculty is very involved with the students at a variety of levels; academic, athletic, extracurricular, and most importantly, on a personal level. Students are also very active in a variety of service groups such as Block J. tutoring and acting as managers for the athletic teams.

The parents make a big contribution primarily as members of the Boosters Club, and Loyola Guild. The Pace Auction, Spring Fling, Christmas Tree Lane, and Boosters Work Day, are some of the events held during the year which help to keep the school going.

When school is out for the summer, the students all go home for a vacation, but not the priests. Instead, they go out and devote most of their summer working at other parishes, hospitals, or what ever.

This sense of community and dedication, is most visible through the annual Christmas Food Drive, and Lenten Food Bowl. Community action also demonstrates our willingness to help the community.

The money and food went to feed some 700 needy families in the Del Paso Robles area.

## Community Action

Every student, prior to graduation, must fulfill his Community Action requirement. This requirement can be satisfied in many ways; by tutoring, helping the elderly at a convalescent home, by coaching, by doing staff work at a hospital or by assisting the mentally, physically or emotionally handicapped.

There are two parts to the Community Action experience; the actual placement (65 hours) and the time of reflection on that placement. Four papers are also required with topics ranging from initial impressions of your placement to a comparison of how these impressions changed with time and finally relating the work to books read. Another paper dealt with whether justice is being served in society.

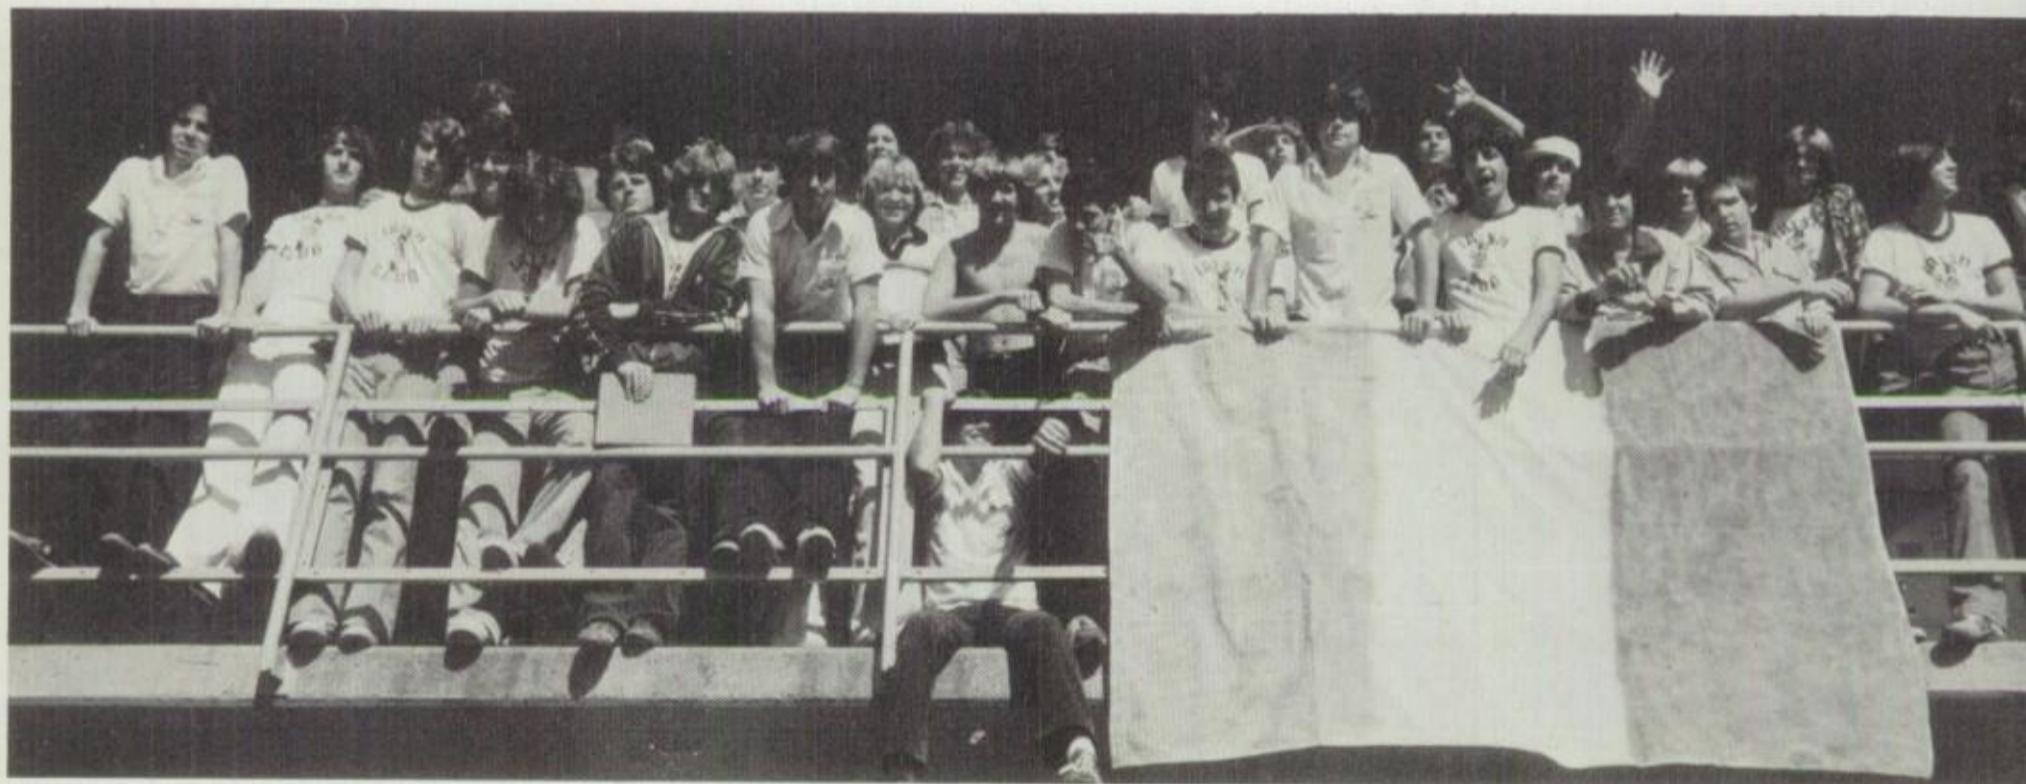

Some of the more popular placements include the Children's Receiving Home, parochial school work, the Sacramento Medical Center, Mr. Olivette Convalescent Home and the Starr King Exceptional School. Other seniors volunteered their time last summer at Camp Sierra for the Handicapped.

# Clubs, Gangs, and Organizations

Totally bypassing charter requirements, many bootleg clubs emerged this past year. Strangely enough, most of them appeared during the week the yearbook staff took club pictures.

Among those seeking new charters were three new ethnic clubs; the Irish, Polish, and Chicano Clubs joining the well established Spanish Club. Other clubs on the scene included the capitalistic (Pass GO, collect \$200) Business Club, and the cultured ("Another carafe of Ripple '80, please!") Fine Arts Club. Service clubs founded solely to help others included the Block J., CSF, and the newly formed Cheap Sunglasses Club. While the Irish Club paraded around in new T-shirts, and the Polish clubbers tried not to hurt themselves, the "Duh!" Club set a new level of incompetence in the field of mathematics.

Clubs failing to secure a charter for the past year included the Night Club, the Eight of Clubs, the Fifth Year Senior Club, the Golf Club, the Flub-A-Dub Club, the Oscillating Fan Club, and the exclusive Klub Foote. With so much going on in the way of extracurriculars this past year its amazing anyone had time for afernoon T.V.

## Rally Committee

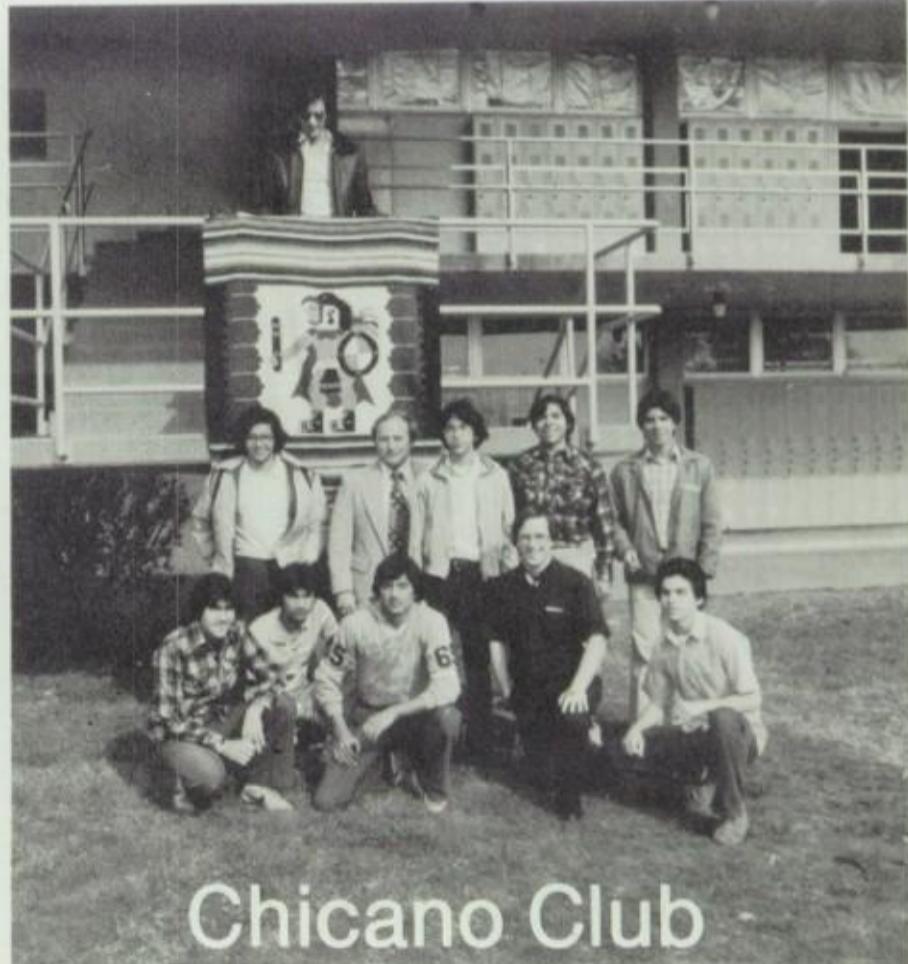

Under the direction of Mr. Novak and the Jesuit cheerleaders, the Rally Committee presented us with an exciting way to spend a normally dull Friday lunchtime. Along with the talent and good looks provided by cheerleaders from other schools, the Rally Committee seemed to improve their outrageous skits with each week. Some of the skits included a guest appearance by KISS, the Woodland Wolf and Big Red Riding Hood, the Exorcism of the Disco Davis Blue Devil, and the unforgettable Faculty Feud. The Rally Committee was also blessed by the appearance of many beautiful ladies from our neighboring public high schools, and the great Mercy Drill Team.

The Rally Committee consisted of Craig Stapleton, Pat Mahan, Bob Maloney, Tim Higgins, Eric Oñate, Jim Seleski, Rob Cooper, Bob Strazzo, Tim Jeffries, Neil Ridge, Tim Heekin and a host of others. It was an experience that we will never forget.

# Student Government

The Jesuit High Student Council consists of the Executive Council, which represents Jesuit at meeting of the Interschool Council, and the Class officers who represent their Class at meetings of the Student Council. A lot of school activities emanate from Student Council, including the Dance Committee (dances are a primary source of Student Body Revenues), intramurals through the Sargent-at-Arms, etc. Student Council also funded the homecoming floats and the performances of the Shakespeare actor this past year.

The role of the Student Court is to interpret the school constitution and review the cases of students who think they have been treated unfairly by the school administration.

## Block J Society

The Block "J" Society was founded in 1963 as an organization consisting of recipients of the athletic Block "J." Five years ago, Mr. Ron Edwards expanded the Block "J" Society to include nonathletes. Nonathletes can earn a Block "J" by contributing 50 hours of volunteer service. Additional awards can be earned by serving additional hours, and cumulative hour totals are kept from one year to the next. Block "J" members earn hours by serving at such activities as the P.A.C.E. auction, Christmas Tree Lane, the Spring Fling, and this year, by serving as ushers at the installation of Bishop Quinn. The Block "J" Society is moderated by our Activities Director Mr. Jim Peth. John Mastalski is the President and Skeeter Czimskey is the Vice President.

## "What is it like being a Freshman?"

"Being a Freshman isn't that bad, you get to meet new kids but you are also treated like the lowest form of life."

Chris Monroe

"Being a Freshman is kind like being trash out in the street."

Scott Johnson

"Being a Freshman compells you to lie about it, but even then somehow everyone knows you're a Frosh. For instance at one of our dances I met this great girl. I told her I was a Sophomore and she believed me! But then she talked to my friend and he told her I was a Junior. "Well," she said, "That could only mean one thing, you're a Frosh."

Steve Martin

"It's okay being a Freshman, once you're used to it."

Chris Stone

"Being a Freshman is bad because you always have to look out for Sophomores, Juniors and Seniors."

Tom Gannaway

"Freshman year has been pretty good. The classes weren't that difficult. You don't get picked on by upperclassmen as much as everybody says you do. The school spirit has been pretty good at the rallies, not quite so good at the games, but at the snack bar you're always at the end of the line because the upperclassmen just reach over your head if they're behind you."

Dan O'Donnell

"Being a Freshman is great. We have complete control over the whole school. If we want something at the snack bar we just tell some sophomore to get it for us."

An Anonymous Frosh

"It's been alright except for some upperclassmen who think they're bad and walk around saying, "Hey, Frosh."

Especialy the Sophomores but they've contracted the disease "Sophomore Syndrome" so they can't help it."

Patrick Madalo

"What's good about being a Freshman is being able to screw up and having the excuse, "Hey, I'm only a Freshman!"

Pete Nixon

"I don't like being a Freshman, everyone picks on you."

Don Vanderloo

"Being a Frosh is a real drag and I'll do my best to make it bad next year for the Class of '84."

Jude Poole

"As a Freshman I can say that the school spirit is great, the classes are too hard, and the snack bar food is just like disco, it . . . (deleted)."

Karl A. Peterson

"Freshmen are top man here at Jesuit. Did you ever notice that all the girls who come on campus during lunch are here to see Freshmen? Everybody looks up to Freshmen here at Jesuit."

Kevin Walker

"The bad thing about being a Freshman is that you're just a Freshman, but I don't mind starting there. I guess the best thing about being a Freshman is that I'm finally in high school."

Tim Gould

"I was lucky to have good teachers and my classes weren't too difficult. I think Jesuit has the best school spirit around; so good that one of my friends from a public school said he wished his school had that much spirit."

Paul Murnane

"We are the targets for the Sophomore, Junior and Senior mafias."

Marty Bierman

## "What has been your most memorable moment at Jesuit?"

"My most memorable moment at school was the time when I was at the Homecoming game and even though we were behind the fans and school were still behind their team. I also will never forget the first time I bit into my first Jesuit snack bar ham and cheese sandwich."

Matt Morgan

"My most memorable moment this year was when the frosh battled the Juniors at Lunch break."

Mike McCormick

"My most memorable moment was leading a celebrity cheer because of my Jesuit sweater."

Bruce Betts

"My most memorable moment this year was receiving a

progress report in English."

Paul Wright

"Evading 18 Juniors and keeping them from putting me in a trash can."

Scott Hamilton

"My most memorable moment was the book store line at the start of school. And the food at the snack bar is alright as long as you buy packaged food."

David Ford

"Eating my way out of a garbage can."

Scott Gregory

"I realized that the food had either gotten better, or they ran out of last year's Subs."

## Ten Little Indians

This fall the Drama Department presented its production of Agatha Christie's murder mystery *Ten Little Indians*. The show ran for three nights, November 1, 2, and 3.

The story unfolds as Ethel and Thomas Rogers are completing the last details for the arrival of their weekend visitors at the Indian Island mansion of Mr. U.N. Owen. A Fred Narracott arrives with some supplies and after receiving the orders for the next day, Narracott leaves and the guests begin to arrive.

After the guests have all gathered for dinner, they hear a mysterious voice accusing each of them of having committed a murder. The suspects then begin to discuss the reason for their invitations, and discover that none of them has ever met their host, "Mr. Unknown." After Marston, a guest, dies from a poisoned drink, the rest discover that one of the ten Indian statuettes on the mantelpiece is broken. That night, when Mrs. Rogers dies in her sleep, the guests realize that a nursery rhyme hung over the mantelpiece is their clue to the sequence of deaths.

One by one, the guests are killed; by knife, by hyodermic syringe, by axe, by drowning, and a number of other ways. With each death, the possibilities for the identity of Mr. Owen are narrowed. Vera Claythorne and Philip Lombard are the last two survivors, and a struggle between the two leaves Lombard on the floor, shot. Justice Wargrave, thought to have been shot earlier, then appears to reveal that he had set up the plan in order to see justice done where the legal system had failed. As he is about to hang Vera, Lombard, who had feigned his death, shoots Wargrave.

All of the members of the cast did fine jobs in creating the suspense and tension necessary to make the show enjoyable and entertaining. The cast was supported by the backstage assistance of Ellery Brown as stage manager, Skeeter Czimskey and Tim Rehg on sound effects, and John Mastalski on lights.

# Varsity Football 1979

## Big Red Pride

Aside from the victories that the 1979 varsity team posted this season, there were many new dimensions to the football program. There were the halftime performances by the Mercy High Drill Team, senior week, senior breakfast, pizza night, a trip to Santa Cruz, shaved heads, a scrimmage jamboree, and most memorable of all there was the Maritime Football Camp. The Maritime Camp, which the football team attended this summer, served as the catalyst for team spirit, comradship and dedication to Jesuit football.

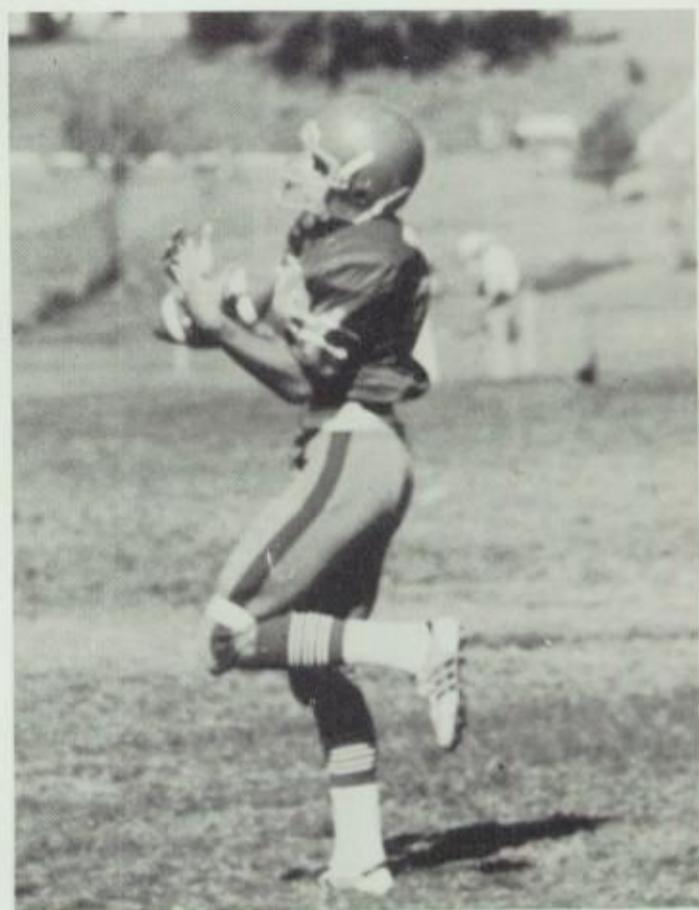

This years victories, against El Camino, Soquel, and Foothill were sparked by great performances from linemen: Dan Reilly, Jeff Abrams, Fred Williams, Mark Hilder, Greg Kaeser and Rich Deterding. Other key performances were put in by backs: Dave Almeida, Carey Thrasher, Chris Tait, Andy Tait, Jeff Phelan, George Grays, and Andy Estipular.

Though the season did not produce as many victories as the team and staff desired; the relationship between players and coaches was outstanding. This great relationship helped to make the season enjoyable and rewarding for all.

## J.V.'s: Tough in Defeat

The 1979 J.V. Football season was a very difficult one. The team faced the stiffest competition any J. V. team has ever had to face. The league championship was not decided until the last game.

Led by captains Mike Bagley (most Valuable back) and Pat Dentinger the team displayed dogged determination and strength throughout the difficult schedule. Because of their continued bulldog toughness they ended the season in a league championship playoff with Yuba City.

Outstanding performances were recorded throughout the season by such individuals as Scott Lippi at slot back; Frank Garcia at quarterback; Jim Alfred (most valuable lineman) at tackle; Ted Gabrielli at center; Jeff Thomas at split end.

The team was constantly in a phase of development throughout the season. Injuries played a big role in that development. The players were a very determined group of young men. They never gave up and throughout the season were positive in their attitudes and efforts. The year was one of maturing for the individual players and the team as a whole. This team will be a tremendous asset to the varsity next year.

As Coach Meyers described it, "The J.V.'s never lost a game, they just ran out of time."

## Little Red 4-3

The Jesuit Marauder Freshman football team turned out some impressive future talent this season. Leading the offense was quarterback and offensive captain Greg Chelini along with sure-handed wide receivers Mike Terra and Nick Slavich. Kevin Burton lead the Marauder ground game at runningback while Curtis Takagishi helped out as a slot and multi-purpose back. Chris Simao provided key blocking and dependable play at center.

Leading a solid defense was wing Mike Ryan along with defensive back Jeff Sevey. Steve Martin and Matt Brownfield provided strength as linebackers. On the line, tackles Bill Street and Ted Hornback were impressive along with guard Scott Bradford. Leadership for the defense was assumed by defensive captain Mike Zanze.

In their season opener, Little Red, after losing in the last minute to Rio Americano, rebounded to shut out Sac High 26-0 the following week. A heartbreaking loss to Yuba City only served to inspire the Frosh to rout Campus Verde 38-8. Over 400 yards offensively were gained in that game. Jesuit then went on to defeat Mitchell, a Cordova satellite school, 14-7 before losing to a very tough Christian Brothers team 26-12. In their final game of the season, Little Red stopped Foothill 28-8. The big play of that game was a 70-yard pass from Greg Chelini to Brian Sharp, as once again the offense compiled a total of 400 yards on the day.

Little Red finished the season scoring 132 total points (19 points per game), and allowing only 81 total points (10 points per game), thus placing second in informal Inter-Valley League play.

# Fall Rallies

Preparing and putting on rallies at Jesuit is not an easy task. It takes many hours of preparation and a lot of ingenuity. This year Tim Heekin and his assistants, Tim Higgins and Eric Oñate, were put in charge of this large responsibility. They did a great job . . . Highlights of this years rallies were the goldfish swallowing and the Mercy Drill Team.

## "There Comes a Time" Homecoming '79

The homecoming "Spirit Week" of 1979 was nothing less than awesome. It seems as though Jesuit spirit has come back. Mr. Novak, our illustrious long-haired friend, was mostly responsible for organizing this week of gala events. At the beginning of this week a point system was set up so as to create competition between the classes. The class with the most points at the end of the week would be awarded the first-ever Jesuit Spirit Week Trophy.

The pinnacle of Spirit occurred on Friday at the best Jesuit rally ever. The rally started off with the Class Pyramid Building Contest. Then the Jesuit Marching Kazzoo Band, under the direction of Pat Mahan, took the center ring and performed. Let us never forget the infamous dotting of the "i." Craig Stapleton and his Jesuit Card Section then spelled out Jesuit in, well, uh, almost perfect form. To end off the rally the Jesuit class of '80 subdued the faculty into submission after destroying the class of '81 for the Volleyball Championship.

The week still wasn't over as the spirit continued on into the Homecoming game against the Yuba City Honkers on Saturday. The team lost but the school won with its halftime festivities that every school would have been proud of. Homecoming week was capped off with some pretty fair rock and roll by Ian Shelter. The point winner was announced at the end of the dance and the winners were the great class of '80!!! This great and unforgettable week would not have been possible without the great cooperation of our faculty. Thanks go to: Mr. McRae, Mr. Cartan, Mr. Shakeley, Mr. Melanson, Mr. Peth, Mr. Speciale, Mr. Mr. Ballard, Mr. Donato, Mr. Campos, Mr. Meyer, and Dean Edwards.

... and the spirit continues.

## Varsity Soccer: A Kick in the Grass

Four games into the 1979 soccer season, The Marauder booters boasted a 2-1-1 record including a tie with city champ Del Campo and a narrow 2-0 loss to a very strong (and playoff bound) Christian Brothers team. Three consecutive 2-2 ties against very tough competition (Armijo, Fairfield, and Davis) followed a 5-0 rout of Rio. But a lack of depth and experience proved to be the varsity soccer teams undoing as they could only salvage a 2-4-2 Delta League and a 6-6-5 overall record.

Despite the presence of ten seniors on the team, only two had any real prior varsity experience. Half the roster was filled out by some talented but inexperienced underclassmen. This, combined with a rugged schedule (5 games vs. T.O.C. playoff teams) and the fact they had to play three crucial league matches the final week of the season (all losses) finally ended any hopes the varsity might have had for a playoff berth.

This year's squad was led by senior John Foster. The

team's strength was its defense and John keyed this defense. He also provided valuable field leadership and was voted team M.V.P. Senior Doug Werking also had an exceptional season allowing only 1.1 goals per contest. He was famous for his diving saves and 60 yard throws. Chris Cosca finished his four year varsity career as Jesuit's stellar center halfback. He was voted team captain before the season and despite being hampered by injuries throughout the season was selected to the Delta League "All League" team. Also selected to the exclusive "All League" team was junior fullback Rich Rombold. Rich was called "The Wall" for his aggressive, impenetrable defensive play.

Some talented underclassmen hold the key to Jesuit's soccer future success but next year's team will definitely miss the kamikaze antics of Rob Cooper, the hustle of Tuan Nguyen, the determination of Tim Rehg and the spirited support of the rest of this year's senior team members.

1979 C.V.C. Champions

Volpicelli tells it like it is

1979 proved to be another outstanding year for the J.V. soccer team. Not only did they notch their second league title in the last three years but they proved to a lot of people outside the C.V.C. that this years team could compete with any junior varsity squad in the area.

Freshmen Dave Culp, Tim Gould, Jimmy Weesner together with sophomore Steve Babich provided the offense with a powerful and balanced attack. During league play, the offense tallied 55 goals while an intimidating defense allowed only 5 goals. The stingy defense was spearheaded by freshmen Miles Platner, Adam Fields, Brian Embry and sophomores Randy Hester (last years M.V.P.) and Randy "Railroad" Ricci (this years M.V.P.). Two other outstanding players were the goalies Mike McCormic and Dimitri Stanich who together registered 11 shutouts during league play.

The midfield was controlled all year by sophomores Scotty Keikoan, Mike McColligan and Craig MacDonald and by freshmen Bob Benedict and Joe Rombold. With the majority of this years team returning next year, 1980 should be another exceptional year for the Jesuit J.V. soccer team.

# Football Intramurals

The 1979 Intramural football season was marked by the excellent participation and enthusiasm of the student body as well as by excellent weather. After the dust had settled, the 69'ers, a senior team led by Tony Padilla, emerged as the champions by defeating the Junior champion, Mirage, 15-12.

In first round games Mirage annihilated the Frosh Gould's team 30-0 while the 69'ers eked out a similar 30-0 victory over the Sophomore champion, Wright's Team. In the finals, the seniors scored on a Rosenblum aerial to Padilla, on a Rosenblum run, and on a safety following a bad punt snap.

A special note of thanks goes out to Loren Chelini, Tony Gabriele and faculty moderator Chris King who reffed almost every game. This year's Sergeant-at-Arms, Mario Orsi, did an excellent job of organizing the football program.

## Senior/Faculty Soccer

In a game that would have shook the soccer world (with laughter) the faculty eleven managed to defeat a very physical Senior squad 2-1. The faculty's cause was greatly aided by a controversial whistle (midway through the 1st half) causing enough confusion for "J.D." Dille to head in a rebound shot. The Senior's goal came just minutes into the game as Brian O'Day took a pass from Joe Cates and beat Faculty fullback Mark Warren to blast a goal past goalie Kris King.

The game winner came as the result of a hand ball called in the Senior's penalty box. Mr. Novak took the penalty shot and calmly rolled it into the left corner to secure the 2-1 faculty victory. Outstanding players included faculty members Cartan, Campos, Carmazzi, Shakely, Rose and Seniors Warner, Phelan, Russo, Jaime, and Sarmento.

Coach Lange at the tape

The 1979 Varsity Harriers had one of the most successful seasons in Jesuit history. Thanks to the supreme coaching ability of Walt Lange and his many talented runners, the team came away with victories at the Chico Invitational, the Nevada Union Invitational, the Delta League Championships, the Sub-section meet, and the Sac-Joaquin Section Championships. Only two teams in all of Northern California were able to pin defeats on our Harriers: Mission San Jose at the Hayward Invitational defeated the Marauders 85-88; and at the Northern California Championships, Watsonville was the upset victor, scoring 80 points to runnerup Jesuit's 100. Jesuit did get revenge over Mission San Jose which wound up fifth in the season's finale.

The Outstanding Runner award went to Pedro Reyes. Pedro finished second at Chico, 1st at Nevada Union, 1st at League, 1st at Sub-sections, 7th at Sections, and an outstanding 9th at Nor-Cal. For a runner whose best distance is the mile, Pedro showed great versatility by going three miles with the best Northern California had to offer. In the number two slot for most of the season was Dave Maxwell, and junior Bill Ternes gave the Marauders a very tough first three. Bob Strazzo was as good a #4 man as anybody's, and rounding out the squad were Neal Ridge, Jeff Finn, Doug Schuler, Bob Boutin, J. C. Fat, and Pete Dunn. Finn received the Most Improved award; Jeff played a crucial role at season's end when he was often the team's number 5 man.

## J. V. Cross Country

The 1979 Sophomore Harriers had a tough challenge: only six sophomores ran cross country, making this one of the smallest squads in years. The team was led by Bob Lombard, who was named "Outstanding Sophomore Runner." Marathoner Mike Kinter followed as #2 man, and the team was rounded out by Chuck Eggleton, Matt Sanders, Jeff Lutgen, and an often injured Mike Dumford. The squad received some unexpected help from an outstanding crop of freshmen, and when these were added to the aforementioned sophomores, Jesuit fielded a team that was a tough challenge for anyone. With the frosh running in the sophomore division, the team won the league title, and was undefeated in Delta League dual meet competition. This same team also finished 3rd at the tough Hayward Invitational.

In Sub-section and Section competition, Coach Lange elected to run separate Frosh and Soph teams, in hopes of qualifying both for the championships. Unfortunately, the competition was a bit much, and neither team qualified, although seven individuals did.

The Freshman probably had the best first four ever: Dave Nicholson, Scott Granger, Greg Alex, and Rudy Martinez. Others trying for the remaining three positions were John Shiurba, Paul Verke, Tim Sanders, Marc Dausses, Perry Seto, and Pete Nixon. The team won the Chico Invitational in September, and then didn't compete as freshmen again until the Sub-section meet. Jesuit finished a non-qualifying and very close 4th to three teams which wound up 1st, 2nd and 4th at Sections, giving credibility to the Marauder's claim to the #5 ranking in the SacJoaquin Section, their best finish ever!

Although frequently-sidelined by injuries, Dave Nicholson received the "Outstanding Frosh Runner" award. This outstanding frosh group has the potential to capably carry on Jesuit's winning tradition.

"My first reaction to sophomore year was one of complete boredom and I found out that instead of sleeping at night, I could stay up and sleep at school. Our class is boring also because of our lack of spirit for our usually mundane teams. My feelings about my sophomore year can be summarized in one phrase: 'Sophomore year is O. # Winter 1980

Winter means different things to different people. The winter of 1980 turned out to be a good one, for most people. It was the winter that the river flooded its banks and began creeping up the levees. This winter meant Big Red basketball games, dances, pica parties with quad-packs to go, skiing, symposiums, the formation of the "DUH" Army, and what seemed like an early spring. During the first winter of the eighties, we said good-bye to one of Jesuit's favorite teachers, Mr. Mike Melanson, and saw a barrage of transfers out of a non-existent Field Ecology class and into such intellectually stimulating classes such as Classical Lit, Underwater Rosary Carving, and Art History. All in all, the winter of '80 will be remembered as one of the 4 most enjoyable seasons of the year.

## Strong Finish for Varsity Hoopsters

After compiling a dismal 2-10 record in the first twelve games of the season, no one expected Big Red Basketball to go anywhere. As it turned out, the varsity squad came within one game of going to the T.O.C. The team's super performances were spearheaded by seniors Mark Heede, Skip Lacour and Ed Benz, and juniors Tom Arndorfer and Steve Chelini.

Following the initial losing streak, the team really began to pick up momentum. Winning four of the final six preseason games (including incredible comebacks against Napa and Placer) the varsity struck for seven victories in ten league games, good for a second place tie in the Delta League.

Playing shorthanded (only three seniors) the Maurauders qualified for the league's Shaughnessy playoffs and behind the awesome support of the student body completely blew Foot-hill away 74-63. Unfortunately a cold shooting 3rd quarter enabled Davis to upend Jesuit in the final playoff game to gain the coveted final T.O.C. berth.

This team overcame a lot of adversity early in the year and put together a creditable record to close out the season. The inspirational leader had to be Skip Lacour whose tenacious defense and determination helped to lead the comeback. Mark Heede went on a scoring spree during league leading all other Delta Leaguers with more than 21 points a game. Junior Tom Arndorfer also scored in double figures and showed that he is going to deserve All-City consideration next year. Ed Benz played all out 32 minutes a game and helped to anchor our stingy defense. Steve Chelini added some scoring punch while Paul Debacker and Brian Baer helped out coming off the bench. Sophomores Mike Ellison and Steve Smith got valuable experience and showed why next year should be a good one.

The varsity definitely got it together during league when it counted and gave the cheering section something to yell about.

"What, me worry?"

### J.V. Roundballers: 15-7

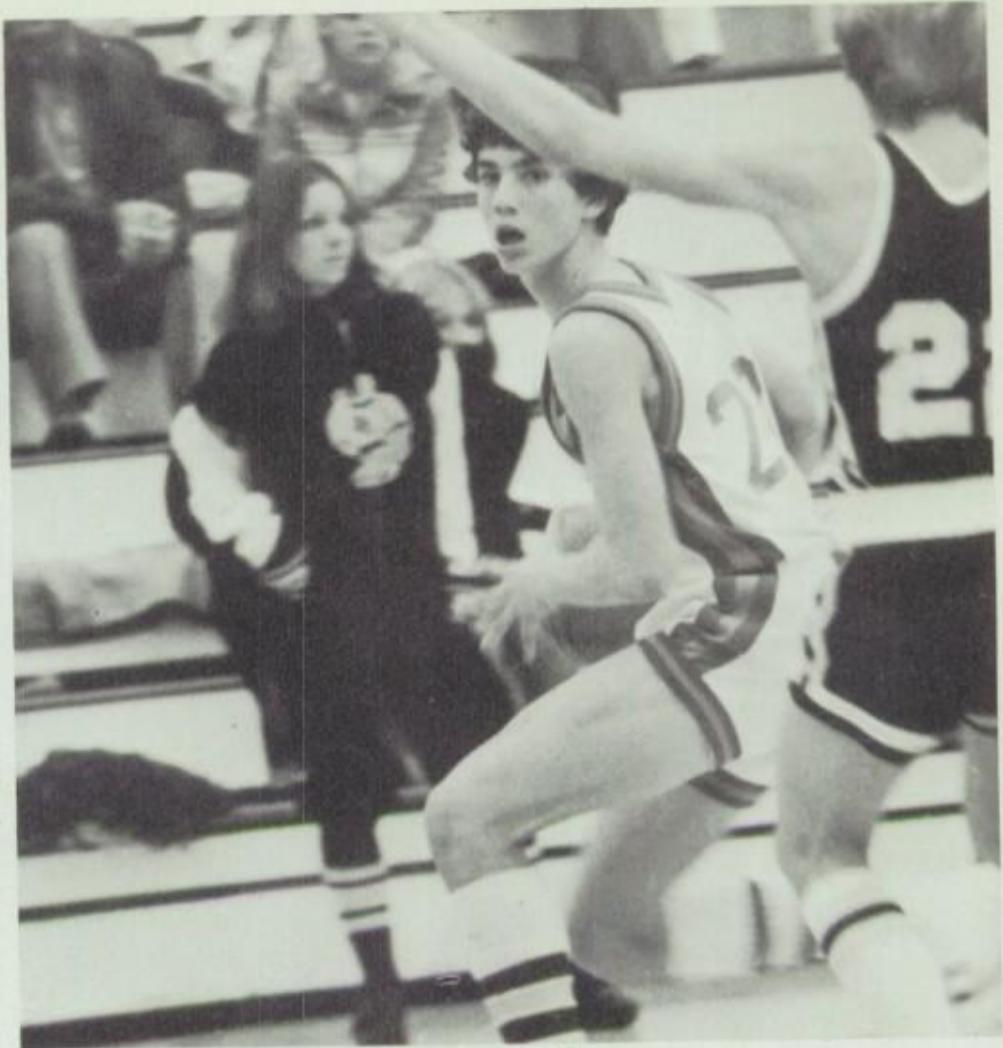

This year's Junior Varsity Club completed the most successful season of any sophomore squad at Jesuit in the last 6 years. Vastly improved from .500 season freshman year, this year's team played to a 15-7 record and a 2nd place in the Delta League. Much of this team's success was due to a fine core of players who will be counted upon to contribute on the Varsity level next season, including Mike Ellison, Steve Smith, Pat Dentinger, Steve Anderson, Dave Cooley, Dave Kim, and John Gedney. The team struggled early in the season to play consistently fundamental ball and learn a complex offensive system which included ball-control patterns and a selective fast break. Early season wins over Rio, C.B. and Del Oro were countered by tough losses to El Camino, Del Campo and Cordova. Halfway through the first round of Delta League play, having won 5 of their last 6 games, the J.V.'s lost their two leading scorers, Ellison and Smith, to the Varsity, and many thought that the season and its hopes had ended. But the J.V.'s answered this forecast with a resounding double-digit win over a Del Campo Club that had beaten Jesuit early in the season. In this, possibly the most impressive win of the season, David Kim came into his own as a playmaker, with Pat Dentinger, Steve Anderson and David Cooley providing the rebounding power and offensive punch, and Andy Hodges sparking the team with fine all-around hustle. Only losses to Grant and Norte deemed the team's late season flourish as the squad ended its season with wins over Yuba, Davis, Foothill and an exciting come-from-behind overtime win over Woodland.

## Freshman Basketball, Awesome

This year's freshman team compiled a 22-4 record overall and a 12-0 league record. Fine team play and all-out hustle were trademarks of this year's squad.

"Little Red" consisted of fifteen sound and dedicated players. All worked hard during the long season. This resulted with ample playing time for all members of the team and one of the best freshman marks in the history of the school.

A few highlights of the season winning the Rio Tourney, edging C.B. with two crucial free throws with one second remaining, and narrowly losing to the best team in the city, Del Paso.

Certainly the future of this year's squad is a bright one. With continued enthusiasm and work in the off season, this year's team could be one of the best in the school's history.

# Basketball Rallies

Attending this past year's rallies would have to rival a ride on Marriott's Tidal Wave; there were some thrills but there were also a share of ups and downs. The bumpy ride included some fine skits (Faculty Feud, a visit to the Jesuit locker room with a J.D. pep talk, Neal Ridge as a vivacious Yuba City cheerleader, and the Flying Jesbini Brothers); some controversy (the racist/sexist El Camino cheerleader gross out, and the paper throwing contest); some great cheerleaders (B.V., King Tut); and some really good times.

# Basketball Intramurals

The 1980 Intramural Basketball season has been marked by tremendous student participation and exciting quality play among all the teams.

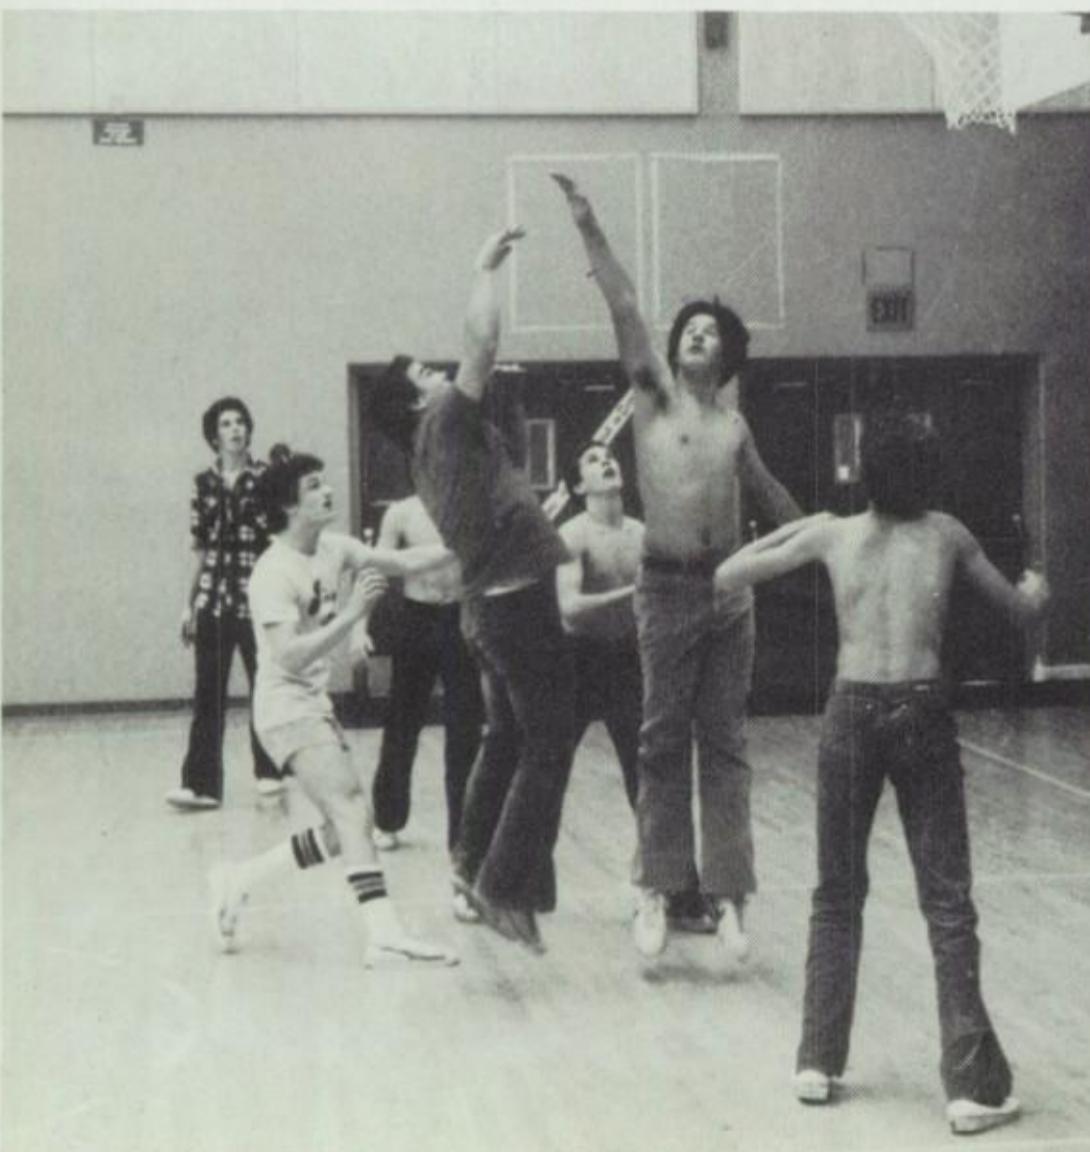

At the freshman level, the "Rammers" led by Steve Emmert and Scott Granger look to be the team beat. Doug Pratt's sophomore team, led by Pratt and Mike Bagley were the team at the top. George "the Greek" Kontes and Matt Jaime highlight the Junior Ramblers and took the crown this season. Rounding out the top teams is the powerful senior team led by Joe Pettite with Mark Schwann (game high 41 points) providing much of the scoring.

Mr. Kris King, Loren Chelini and Mark "the Mantis" Heede deserve a word of thanks for reffing most of this years intramural games. Sergeant-at-Arms Mario Orsi has done a remarkable job in keeping the spirit and enthusiasm flowing in this year's rain laden, short lunched Basketball Intramural season.

## Varsity Wrestling

This year's wrestling team accomplished a great deal, at least in terms of individual successes in tournaments and league dual meets. The wrestlers, lead by seniors Lars Israelson and Alan Dugan, have had to endure a poor dual match record of 1-4 because of forfeits in several weight classes. The team soon adopted the motto, "Quality not Quantity" and in actuality did quite well one-on-one. Even with six forfeits, the team did manage to place 5th in the Oakmont Tournament, 6th in both the Yuba City and Armijo Invitationals and 11th in the Hogan Invitational.

Outstanding performers included Steve Grandinetti who wrestled in the 95 lb. division and had a record of 8-0 early in the year. After being out injured for four weeks, he returned to place 2nd in the Delta League meet and 6th in the San Joaquin sub-section. Mike Rollins who wrestled at 133 placed 3rd in the Yuba City Invitational while Steve Volpicelli (112) placed 3rd in the Delta League finals. Matt Potts held his own at 138 while wrestling two weight classes higher due to team competition. Allan Leatherby filled in at the 191 lb. weight class in only his second year of wrestling and placed 4th in the Delta League finals.

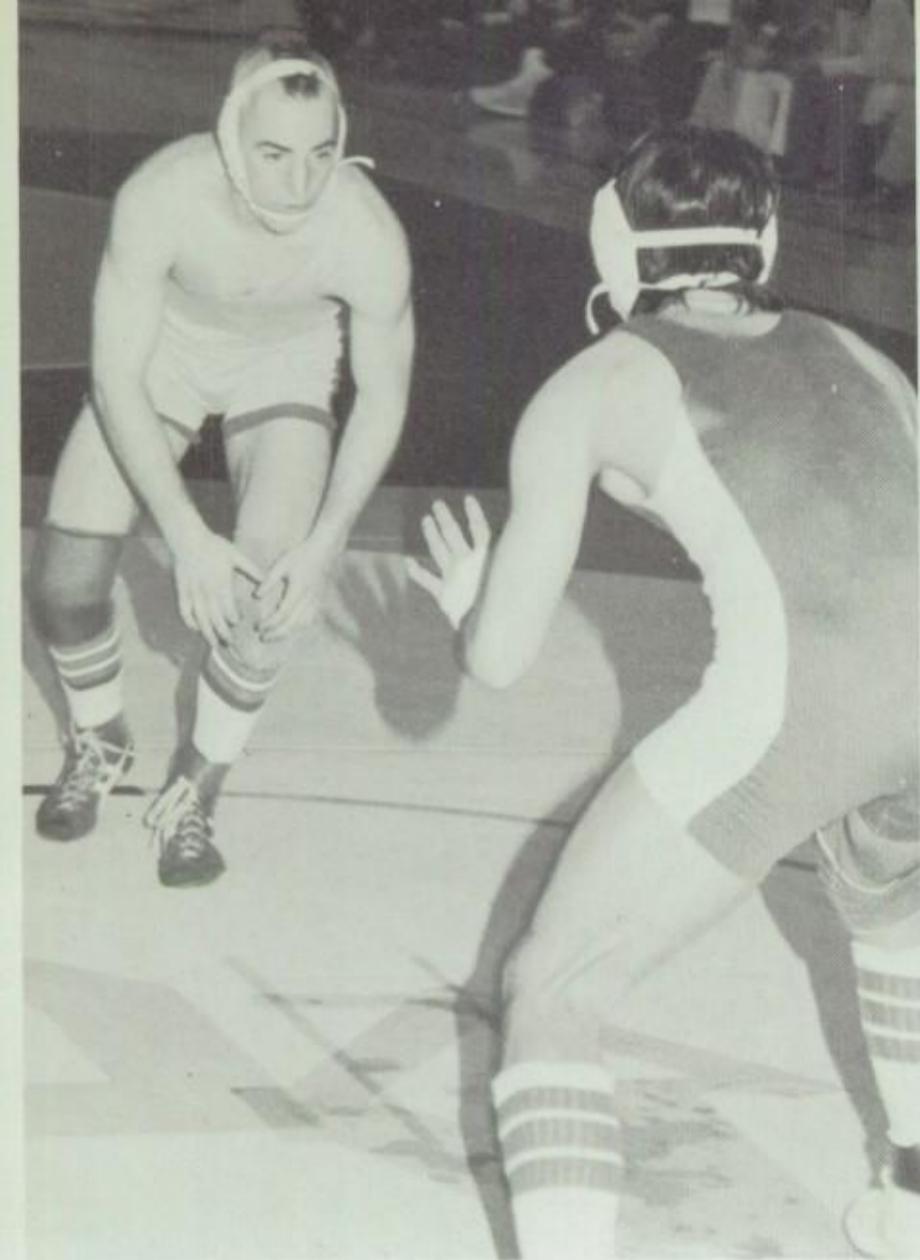

Senior Lars Israelson had an overall record of 19-6 and compiled two 2nd's, a 3rd and a 4th in the various tournaments. At the Delta League finals he placed 2nd and went on to place 4th in the San Joaquin sub-sections which qualified him for the section meet.

This years "Outstanding Wrestler" Alan Dugan had the best season of any wrestler ever to compete for Jesuit. With a record of 32-4, he placed 1st at the Yuba City and Hogan

## Senior/Faculty Football

Terry Bradshaw had better look out as Mr. Dan Carmazzi was almost perfect in leading the faculty to a 26-6 victory in this years senior/faculty football extravaganza.

On a day when the seniors kept fumbling the snap from center; and Mr. Damitz, Meyer, Rose, and Cartan caught everything in sight (Mr. Novak would have had trouble catching a cold); the class of '80 was outmaned by the Geritol set. Highlights included some heavyweight line play (Coach Clemons, Evans, Meyers and Co.), a couple of fine catches by Tony Gabriele, and of course, the outstanding passing of Coach Carmazzi (4 T.D.'s, about 300 yds. in the air.)

The first scoring play of the game resembled something out of a rugby play book as the faculty kept lateralizing the ball. The final lateral went from Coach Clemons to señor Campos who streaked in from about 60 yards. Coach Evans returned a kickoff some 30 yards to set up the faculty's second score, an aerial from Carmazzi to Damitz.

The seniors got on the board on a 10 yard pass from Steve Rosenblum to Tony Gabriele. A 40 yarder a few plays earlier to Gabe had set up the score.

The game was well played by both sides and was a pleasant break from what had become almost two months of rainy day short lunches.

"Pat, have you seen my football? It's about this tall.

# Senior/Faculty Basketball

A couple of questionable calls by two totally incompetent junior referees turned the tide as the faculty narrowly defeated the seniors in this, the third senior/faculty game, 66-25.

Senior Tom Michaels was seen repeatedly trying to bribe scorekeeper John Mastalski but to no avail. The faculty, relying on the play of an experienced squad of ex-basketballers surged to a 20-6 first quarter lead and never looked back. Coach Novak was seen lighting up his victory cigar midway through the pre-game warm-ups; no contest.

The seniors finally managed to regroup and held their own in the fourth quarter led by McElligott's 6 points and 4 each by Higgins and Maloney. High point man for the faculty was Hammerin' Hank Meyer with 18 followed by J.D. Dille with 13.

"Junior year was difficult, but the class of 81 is the best class in the school, because we feel EEEEEE motion." Richard Bernheimer

"Being a junior is not very much fun. The rigorous workload applied to my already numbed cerebral unit makes for a severe disjunction between my inner spirit and my universal soul. If transcendentalism has anything to do with it, then I feel senior year will be the culmination of all things wise and wonderful. Seriously though, I am very proud to be a member of the class of '81 at Jesuit even though this school is penguin infested. I know that Mr. Shakely is one and I'm pretty sure that McIntee and Rose are too. Someday I'll get the goods on them and expose them to the world." John Hanson

"I'm not looking forward to my senior year, but I'm looking forward to getting rid of the Seniors."

Gorden Bennett

"In my opinion, junior year was three times as hard as I was led to believe. Being a transfer student, it was especially tough for me. I am not looking forward to senior year because the end of senior year means to the end of my high school life, and I loved being a rowdy high school student."

Mike "Egor" Barnes

"Junior year was not as hard as I believed it to be, aside from the fact that I got four F's, One D, and One C."

Second Semester transfer to Rio

"As a Junior, I would pose this question: What happens when you put three ducks in a cage with a whole mess of duck-eating rodents? The obvious reaction is for the ducks to scream "Quack" Which duck for "aaarf" which causes the vermin to retreat. This is indicative of the overall spirit at Jesuit.

Scott Collard, alias Cholito Jesbini

"My reactions were: abdominal pains, dilated pupils, hives and mental health deterioration."

Randy Mayer

"Naw, it ain't hardly as hard as I were lead to think."

Richard Erable

"I am looking forward to senior year because it will be kick back, and when its over I'll be free at last, free at last, thank GOD ALMIGHTY, FREE AT LAST!"

# Spring

Seniors pass judgement

Railroad ties save soccer field fence

Spring has always been seen as sort of a quasi-pseudo-flora-mini-ferous time of year and the spring of 1980 was no exception. For the freshmen, it meant not being thrown into puddles but, instead, being pushed into the soft, new grass. For Sophomores, spring is being able to wear Vuarnets anywhere, even indoors. Spring doesn't bring much of a change for the juniors — they still have about 12 hours of homework each night. Seniors begin to look forward to getting their diplomas, or at least an 8x10 glossy of Fr. Harris and a reminder that summer school begins June 12th.

During spring, many very strange changes occur. Teachers start to ease up and "KB" days abound (Thanks guys!), Mr. Edwards finally loses his cool and jugs a Senior or two, and the baseball team begins its version of "Operation Bailout" on the lower fields. Spring puts people into different frames of mind. Seniors begin planning "appreciation" day and everyone pulls out their Frisbees. Traditionally, spring has been a time when flowers bloom, Allerest junkies contact their Contacts, and religious cults pop up everywhere. And of course, when spring arrives, summer can't be far behind.

# 1980 Varsity Baseball

The Varsity Baseball team returned eleven seniors from last years (16-10, 2nd place in league) team. Six of those seniors were starters and provide this years squad with an unusual amount of experience. The loss of Dave Kloser and Mark Sadosky, who accounted for all but one of the team's 10 league victories, must be remedied if the varsity is to make a serious run for the Delta League crown.

The pitching staff is expected to be led by senior lefty Alan Dugan (3-0 as a junior), and righthanders Dave Alameida, Loren Chelini and Mark Cuomo. Tony Padilla and Mark Jaime are the short relief men. Junior pitcher Mike Sieber (7-1, 4-1 in league for the J.V.'s) should be one of the starters in the Marauders quest for the league title.

Fred Williams and Tony Padilla are returning starters at 1B and Shortstop respectively. Both hit over .290 as juniors. Fred broke the school record for doubles(6) while Tony fell just one stolen base short of the season record for stolen bases with (12) last year. Mark Cuomo (.304 as a junior) and Dave Alameida complete the infield. Returning starters in the outfield include Mark Hilder (LF) and Tony Gabriele (CF). Tim Baskerville and George Grays play both infield and outfield while Alameida has played all nine positions during his varsity career. Greg Kaeser capably handles the catching and also contributes heavily offensively. Juniors include infielders Matt Jaime and Andy Estipular and catcher Lee Jon Moore.

The team is blessed with exceptional speed (Grays, Padilla, Gabriele, Hilder, Moore, Jaime and Estupular can all "wheel"), hitting ability, defensive skill and, most importantly, experience. If the pitching holds up, the 1980 Marauders should make a strong bid for the Delta League Title and a spot in the T.O.C.

## J.V. Baseball

After a slow start (0,2), this years J.V. baseball team began to exhibit the ability and confidence which led to a freshman championship in 1979. By winning its next 4 out of 5 games, this squad showed it could challenge for the Delta league title. The key for the "soph Marauders" will be consistent pitching, which is needed to compliment a potent offense.

The speed and quickness of Scott Lippi, Mike Ellison, and Jeff Thomas should generate excitement and make things happen on both offense and defense. Returning infielders Chris Barsotti and Chris Debacker and outfielders Kevin Whitehead and Paul Marchi are expected to provide stability in the field and at the plate.

In the early going, Mike Turna cliff, Frank Garcia, Jim Alfred, and John Gedney have hit the ball hard and sparked the club on offense. Newcomers Steve Smith, Andy Hodges and Dave Hoover are counted on to make important contributions as the season progresses. Anchoring the pitching corps will be Dan Hecker, Matt Stone, John Bergn, as well as Gedney and Alfred.

Under the guidance of Coach Carmazzi and Coach White, the J.V.'s are determined to bring together all phases of the game as they challenge league favorite Woodland. Davis, Foothill, Yuba City will also offer stiff opposition in league play, while games with traditional rivals Christian Brothers and McClatchy in April round out a busy spring schedule.

## Little Red Baseball Shows Great Promise

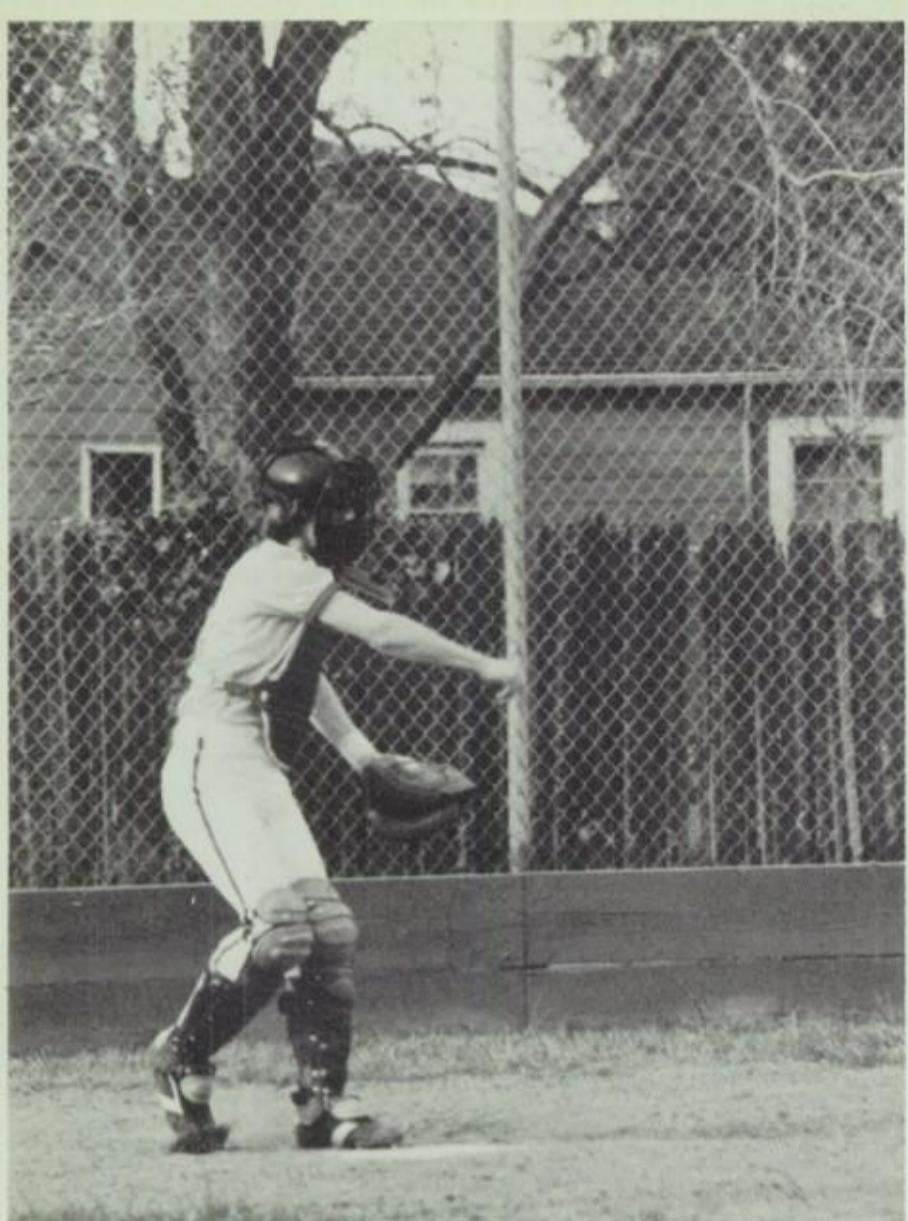

This year's Frosh Baseball Team, according to Coach Mike Cartan, is potentially as talented a group as has come through Jesuit in the last five years. A strong pitching staff includes Paul Murnane with a good fastball; southpaw Mark Gabriele, a good competitor; Greg Chelini, who is extremely fast and at times overpowering; Phil Kaznowski with good control; and Jeff Imrie with a good curve and other assorted junk.

When it comes to hitting, the stand-outs include Mark Gabriele, Spencer Page, who is an aggressive contact hitter, and Mike Houlihan, a consistent singles hitter. Matt Brownfield and Greg Chelini provide the power along with lead off man Curtis Takagishi who always seems to be on base.

Defensively, the team is superb with Mike Cornelius, Scott Bradford, and Curtis Takagishi the key players here. Coach Cartan cites Doug Van Dyke, Curtis Takagishi, Spencer Page, Tony Montano, and Mike Cornelius as the spirit of this squad, providing excellent team hustle.

The Jesuit Marauder Frosh Baseball Team are Intra-Valley Conference defending champs for the last two years. The race for the title this year will most likely include Jesuit and Christian Brothers, with McClatchy, Yuba City, and Sac High not far behind.

# "WHERE'S CHARLEY?"

**WHERE'S CHARLEY?**, based on the Victorian comedy, CHARLEY'S AUNT, was written by George Abbott with music and lyrics by Frank Loesser. The show is set at Oxford University during graduation week in the 1890's. Charley and his roommate, Jack have invited their lady friends, Amy and Kitty, to a luncheon in their rooms. This is a very daring gesture, but since Charley's aunt, Donna Lucia (a very rich widow from Brazil), is arriving to visit Charley, she can chaperone the foursome so Amy and Kitty agree to attend.

Donna Lucia doesn't arrive as scheduled and for fear of not having the girls company for lunch, Jack introduces Charley (costumed as an elderly woman for a part in the school play) as aunt Donna Lucia. From then on, Charley is in a constant conflict; he is pursuing Amy in hopes of marrying her and at the same time being pursued by two gentlemen hoping to marry a woman of wealth.

Memorable moments include Charley's rather embarrassing visit (as Donna Lucia) to the ladies dressing room, "The Gossips" sung by the girls chorus, and Charley's soft-shoe song and dance "Once in Love with Amy." The comedy climaxes at the graduation ball as Charley, Jack and Sir Francis are finally all coupled with their respective loves Amy, Kitty and the real Donna Lucia, and the villainous Mr. Spettigue flies off in a rage.

## Track and Field

With a fresh Head Coach and some new talent, this year's Track Squad had a remarkably successful season. The job of compensating for a great deal of lost talent was a tough one, but the team fared well in the long run.

The strongest area was in the distance races. With Pedro Reyes and Bill Ternes pulling the weight in the mile, Dave Maxwell and Bob Strazzo commanding the two mile, and a strong four mile relay team, the Harrier leftovers were major point resources.

Norman Chinn, along with Mike's Wehr and Wegener, provided the backing in the hurdles while ringers from the Varsity Baseball team were recruited to augment the sprinter's field.

The men in the field also had a good year. The pole-vaulting triumvirate of Hopkins, Hopkins, and Phelan gave the impetus behind the rest of a strong jumping lineup. Tim Higgins, Larry Neely, and Rick McCauley were the standout high jumpers, all pushing the high side of 6½ feet.

Reilly, Barnes, Dalton and Leatherby were all "putting" the outer limits of the stratosphere with awesome throws of the shot and discuss that hurtled them closer to their hopes of the section finals.

In all, the season was a highly commendable one, and the team looks forward to the challenge of forthcoming seasons.

## Section Champs

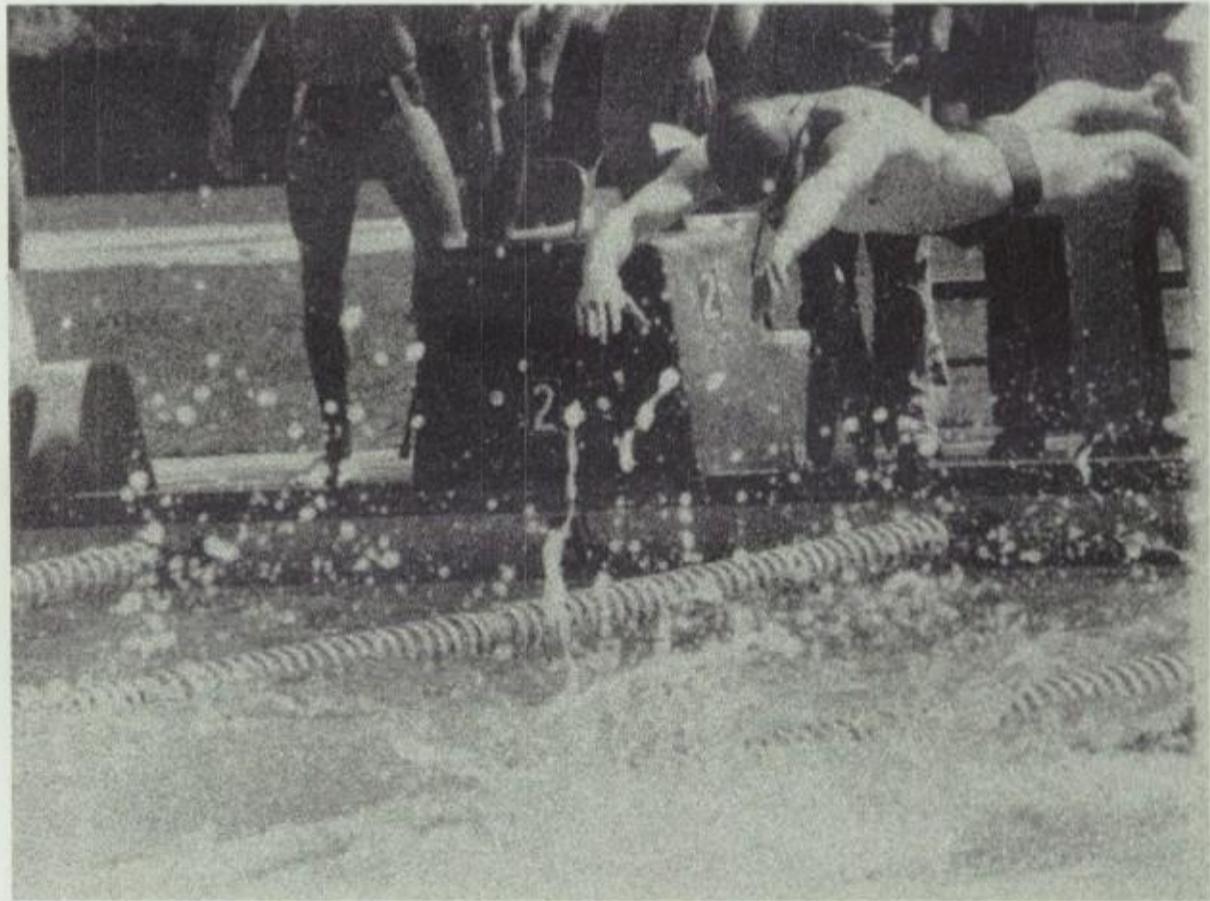

The Jesuit swim season began with tremendous victories at the Reno Invitational Relays in which Jesuit overwhelmingly defeated fifteen Nevada and Northern California teams. Head Coach Darrel Lohrke and Brother Farrington demonstrated superb coaching ability along with team spirit and unity. These preseason victories indicate Jesuit's potential to insure a 5th straight Section victory maintaining its # Northern California tradition.

Inspiring the squad were co-captains Mike Strauch and David Reed, along with such powerful aqua-jocks as Darryl "Meat" Johnson, Bihig-Matt, Craig "Scrote" Stapleton, Doug "The Wog" Smith, Brian Grottkau, Yonny Woo Miller, Ronny Ayers, Scott Morris, Nick Bagatelos and Neil Fischer. Many others contributed to form depth and stability to the Jesuit cause.

An equally impressive Frosh-Soph team under Jim Grottkau, Greg Willet, Patty Madalo, Lance Brown and Dean DeLoe will also provide a challenge to all other Northern California teams at sections. Divers Dean Feldmeyer, Doug Werking, Steve Volpicelli contributed greatly considering they had no pool to practice in.

## Delta League Champs

This year's Varsity Tennis team is a sure favorite to win the sections number one ranking. The squad returns last year's top four players, including senior Tom Walcott, and juniors Chris Reedy, Tom Pratt, and Kevin Lee. Additional depth was provided by such underclassmen as sophomores Doug Pratt, Bruce Anapolsky, and Mike Heller, plus the new talent supplied by freshman David Richmond. Last year's team included a strong number one player in Chris Reedy and number two player Tom Walcott, who were ranked #5 and #8 in the area, respectively. With such a strong returning squad, and the incentives provided by coach Tom Shakely's early morning workouts and psychological pep talks, Jesuit's Varsity Tennis team was, as always, a powerhouse on the California tennis scene.

**L to R. 1st Row:** Ron Hollis, Rick Matsumoto, Bob Benton, John Bowers, Nick Sheedy, Matt O'Connor, Adam Fields, Jim Weissner, Hubert Bowers, Bruce Anapolsky, Chris Bowers. **2nd Row:** Joe Voydat, Mike Heller, Doug Pratt, John Braehrer, Greg Griffin, Chris Reedy, Jim Ang, Pete Tesluk. **3rd Row:** Monty Griffin, Peter Dumphy, Tom Pratt, Tom Walcott, Kevin Lee.

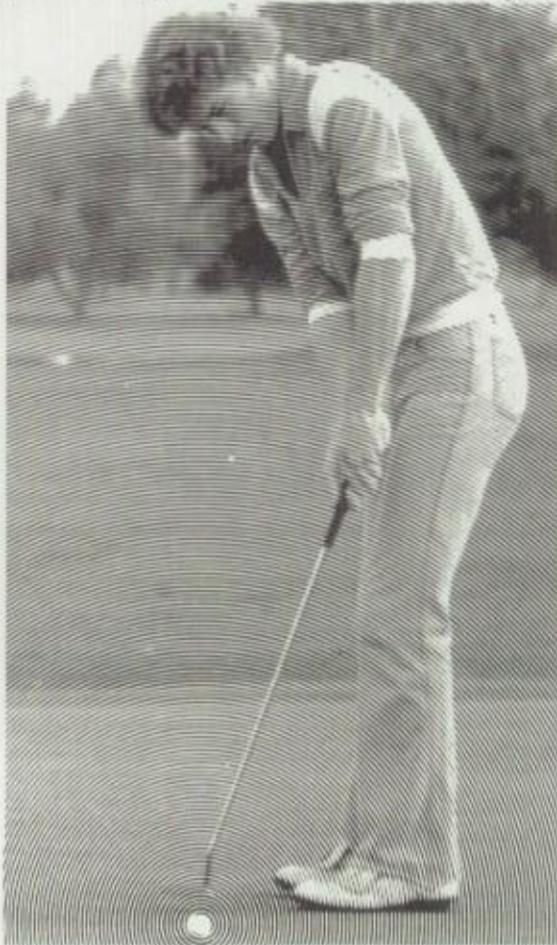

**Back Row (L to R):** Gary Garcia, Chris Crosta, Joe Duffel, Bob Turna cliff, Bill Schwartz, John O'Brien; **Front Row (L to R):** Brad Reardon, Pat O'Neil, Jim Wright, Robert Meyer, Bryan Waters

## Linksmen

This years Golf Team didn't have as much talent as last years team, but it still was one of the top teams in the area. There were four varsity players returning from last years team: seniors Robert Meyer, Bob Turna cliff, Bryan Waters, and sophomore Jim Wright. Each of these four players is capable of being one of the "top ten" players in the city.

Robert Meyer has been the Sacramento area's top player for the last three years. Last year he was also the top golfer in Northern California and represented Northern California in a couple of National tournaments early in the season when he was eligible.

If the team can find a strong fifth and sixth man to play this year then they should have no problem repeating as the Delta League champs and they will also have a good chance to qualify for the State Championship. Jesuit missed the State Championship match by a single stroke last year. This year's new coach Mr. McIntee says "We have great expectations for this years Golf Team and hope that they can bring Jesuit a State Championship."

# GRADUATES

## "How do you feel about your four years at Jesuit?"

"I would not trade the four years for anything in the world... except for two pieces of greasy cardboard pizza, a bonus pack of zingers and a large cup of "flat" coke." Fred Williams

"I've enjoyed school very much. I thought it was stimulating. I especially liked spending long hours studying, as the candle burnt low, late at night. Sacrificing a social life so I could pull a "B" in History . . . or was it a "D"?" David Kensiski

"I'm really glad I came here. I got a lot of jug from Mark Warren. I enjoyed Mike Melanson's Environmental Ethics class because it was quite laid back and the teacher was very cool. The memories are great, but I'll be glad to get my diploma. Good-bye." Brian O'Connor

"I can't believe that I am going to leave Jesuit High School. I love it (J.H.S.) and all the faculty who have been so supportive. Thanks, Jesuit. (I can't believe it . . .!)" Pedro Reyes

"I feel that in my four years here I have gained things more precious than money; many lifetime friends, a good education, and a solid base from which to grow." Richard Morton

"I felt that the class of '80 did one helluva great job in bringing back school spirit and the feeling of J-High pride. I was really impressed with the creativeness and absurdness that the class had, and its the things that this class did that will make reminiscing so enjoyable later." Eric Oñato

"Jesuit has been a great learning experience. I learned a lot about myself and others and I think that this is very important. Particularly valuable were the retreats with other seniors." Rob Cooper

"Jesuit was really worth it, especially the senior retreat. My class is the best I have seen in my four years in all respects. What in the hell happened to Orpheus Choy?" Brian O'Day

## "What has been your most memorable moment?"

"My most memorable moment was the time Fr. Harris announced the seniors had won Spirit Week at the homecoming dance. Over the entire four years my most memorable moment was when I was a freshman. A bunch of seniors threw me in the showers with all my clothes on, it made me feel right at home. I have made a lot of good friends at Jesuit and I only wish I could have gotten to know more of them." Gary Gibson

"My most memorable moment at Jesuit was when Mrs. Tyler displayed the new set of World Book Encyclopedias." Joe Cates

"My most memorable moment will probably be when I step on that stage in my cap and gown and accept that diploma." Bill Barton

"My most memorable moment at Jesuit was about three minutes ago, (the extent of my memory span)." Jerry Sarmento

"My most memorable moment was when everybody was kicked out of school but I wasn't caught." Tony Padilla

"My most memorable moment was spotting a black freshman. We did not have enough blacks to pull our class down academically . . . or to pull the class up athletically!" George Grays

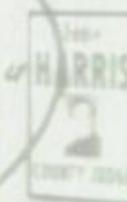

"My most memorable moment at Jesuit was as a freshman standing out in the soccer field before a dance and then seeing two flashlights coming towards me. My second most memorable moment was on the following Monday when they decided not to kick me out of school. My third most memorable moment was after finishing a month of jug." Lars Israelson

"My most memorable moment was passing all my classes at the semester." David Doglietto

"Getting jug for being 1/100000 of a second late, trying to weasle my way out of it, and then finding that because I had wasted so much time it took me twice as long to fill my bag as everyone else because they had already cleaned the campus." Tim Rehg

# JESUIT HIGH SCHOOL

A COLLEGE PREPARATORY

Dear Seniors of the Class of 1980:

When you pick up this yearbook in 1990 before coming to your tenth year class reunion, what will you be looking for? What will you see? A yearbook can be a memory album or it can be a reflection of the experience of the year. What will it be for you?

I hope that ten years from now this annual will be more than a catalog of dead memories. I hope that it can be a measuring point for you — one which indicates the degree of growth you have attained in high school and one from which you can view your personal development since that time. With attention and effort on your part, you will continue to experience growth in the next ten years and I hope they will be profitable years of personal progress for you.

You've got the keys now. Math, science, English, and the material of your other studies may fade into memory, but something of your experience at Jesuit will live on. It will live on in the people you are and the people you become. The friends you have made, the teachers, coaches and moderators who have worked with you are all part of the treasure which you have unlocked at Jesuit. If they have enriched you, so much the better; but if you now lock them away and bury them as you leave here, then you bury a part of yourself and that treasure will then be lost forever.

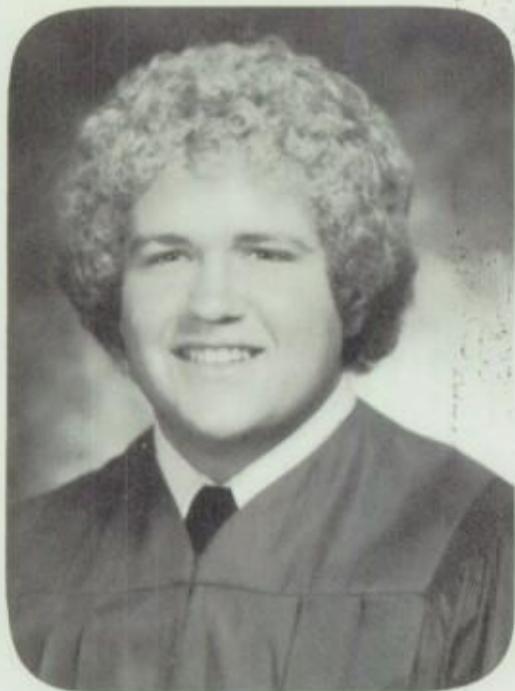

I hope that you have enjoyed your four years here. We are happy to have had you with us. Thank you for what you have given to Jesuit High School.

May the peace of the Lord be with you as you graduate and during every day of your lives.

Sincerely yours,

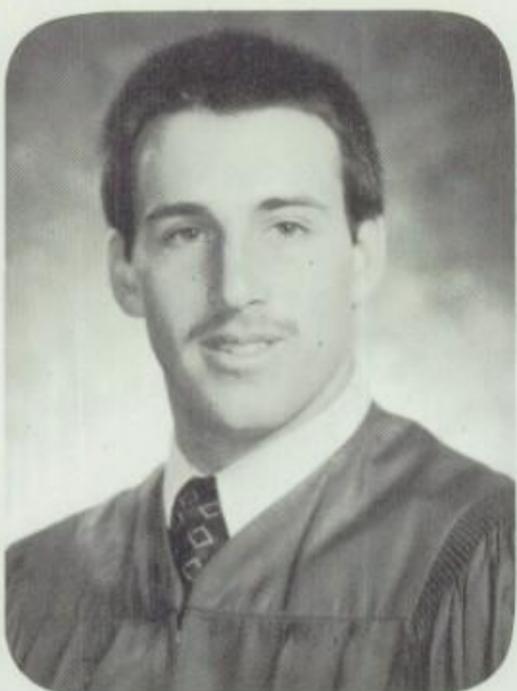

*Edwin B. Harris Jr.*
